The e-CASE & e-Tech 2010 will be held in Macau, January 25-27, 2010. The main objective of e-CASE & e-Tech 2010 is to provide a platform for researchers, engineers, academicians as well as industrial professionals from all over the world to present their research results and development activities in e-Commerce, e-Administration, e-Society, e-Education, and e-Technology. This conference provides opportunities for the delegates to exchange new ideas and application experiences face to face, to establish business or research relations and to find global partners for future collaboration. All submissions to the conference will be reviewed by at least two independent peers for technical merit and content.

Submission and Paper Awards

Prospective authors are invited to submit their abstract(s) or full paper(s) electronically on-line before August 20, 2009. Of the competitive papers, around 8-10 percents will be awarded as Distinguished Papers, which will be announced in the opening ceremony. Among Distinguished Papers, top three will be awarded Best Papers with a medal and cash US\$ 500.

Publication Opportunities

All full papers presented in the conference will be considered for possible publication in International Journal of Cyber Society and Education (IJCSE), a referred and series publication of e-CASE conference with ISSN number. Competitive papers would be recommended for fast-track reviews by International Journal of Business and Information (IJBI) that agrees to publish a special issue.
